EUREKA UMC MISSION: TO KNOW, LOVE AND SERVE GOD

JULY 2022

## A Pastor's Perspective

*“Where there is no vision, the people perish: but he that keepeth the law, happy is he.”  
Proverbs 29:18 KJV*

When a runner enters a race, he or she has one vision in mind. That is to be the first person to cross the finish line, thus winning the race. However for many who are racing for the first time, their vision may be to simply cross the finish line regardless of where they may place. Either way he or she practices running in preparation for race day. They have a vision, a goal, and they will focus on how they will attain that goal. If they do not have a goal, they will never finish the race. They will burn out. Quit. Perhaps they will not even try.

The author of Hebrews uses running a race as a metaphor for the Christian life in chapter 12. He writes, “Let us run with perseverance the race that is set before us.” So if we are running a race, then the question is: “What is our goal? What is our vision?”

Likewise, we raise the banner of our future filled with hope. This too has to do with people. It is about building relationships with the community around us. We pray this every Sunday in the Lord's Prayer. ‘Thy Kingdom come. Thy Will be done on earth as it is in heaven.’

I would suggest that the first part of our vision is about being kingdom builders. If heaven is a place where we value relationships with God and our neighbor, then to be kingdom builders on earth means that we build relationships with God and our neighbors here in the present. It means that we need to be a place where God and the community meet.

But we must be prepared. We need to practice as a runner would practice preparing for a race. We need to be in community ourselves so that we can model what community is for the people around us. We need to worship and study together. We need to join in meals together and to celebrate life together. And we need to give thanks to God for the blessings of life together.

I am excited about all the possibilities that lie before the Eureka and Roanoke Churches. We have a proud past and a future filled with hope! Let's be prepared for all that God has in store for us!

I'll see you in church!

In Christ,  
Pastor Bob

Juliana and I want to thank everyone for their prayers, cards and well wishes as I have gone through chemotherapy and prepare for our move. Your words of encouragement and prayers have given both of us strength and hope as we have travelled to Iowa City for treatments. We are looking forward to our move to Eureka and our ministry together! God has great plans for the Eureka United Methodist Church and we are excited to become a part of your church family. ## 2022 Illinois Great Rivers Conference Summary

The Illinois Great Rivers Annual Conference gathered in a first-ever, hybrid annual conference session June 9-11. The theme of annual conference session was *A Time for Love and a Time for Peace, the second of four themes focusing on a quadrennial theme of God Has Made Everything Beautiful in His Time, based upon Ecclesiastes 3.*

The Conference provided opportunity for celebration on a number of fronts – the 25<sup>th</sup> anniversary of the annual conference following the merger of the former Central and Southern Illinois conferences in 1996 and the approaching bicentennial of Methodism in Illinois when the first session of the antecedent Illinois Conference convened in 1824.

Conferees also celebrated the completion of the six-year Our Conference, Our Kids campaign, in which funds were raised to finance the chaplaincy programs at the five children's health and welfare agencies in the IGRC – The Baby Fold, Chaddock, Cunningham Children's Home, Lessie Bates Davis Neighborhood House and Spero Family Services. The \$2.5 million goal was eclipsed and the Conference celebrated total giving of \$3,000,130.76. The Conference also approved the naming of the endowment as the Bishop Frank J. and Melissa K. Beard Our Conference, Our Kids Endowment.

The generosity of the Annual Conference was evident as a report showed that IGRC churches contributed \$6,619,996 to missions beyond apportionments through The United Methodist Church. Special offerings during the Annual Conference included: \$21,900; John Kofi Asmah School in Liberia, \$3,750; Tom Brown Scholarship at Wiley College, \$4,500; and funds for the 2023 Ordinands' Trip, \$4,600.
